

Disability Employment Outreach Day

Individuals with disabilities are invited to a special event to guide them in their search for information about civil service employment opportunities in state government.

Attendees will learn about the application, testing, and hiring processes, and other available accommodations and services.

Please contact the State Civil Service Commission at pmarinak@pa.gov or 717-214-4933 by October 7 to request accommodations for this event.

This event is sponsored by the State Civil Service Commission, the Governor's Cabinet for People with Disabilities, and the Office of Administration.
